General provisions

These Terms of Use set forth the entire understanding of the parties with respect to its subject matter. In the event that any one or more of the terms and conditions contained in these Terms of Use is held to be invalid, illegal or unenforceable, the remaining provisions will not in any way be affected or impaired thereby. Double Eagle's failure to insist upon strict adherence to any term of these Terms of Use shall not constitute a waiver of such term and shall not be considered a waiver or limit of any right thereafter to insist upon strict adherence to that term or any other term contained in these Terms of Use. These Terms of Use shall be deemed to have been made in the State of Florida and shall be construed and enforced in accordance with the laws of the State of Florida applicable to contracts negotiated, executed and performed within said State

Notwithstanding the foregoing mediation and arbitration provisions, Double Eagle never shall be precluded or delayed from seeking and obtaining temporary, preliminary and permanent injunctive relief against infringement or other violation of its claimed intellectual property rights, or other relief that it deems reasonably necessary to defend or enforce its rights or these Terms of Use, in any court(s) of competent jurisdiction.
